For 17 years, Adaptive Sports Ohio has been improving the lives of those with physical disabilities by providing them a chance to play sports. Our work is essential in transforming the world of sport to be accessible and ensuring athletes get off the sidelines and into the game. Our annual Gala provides attendees the opportunity to learn more about the mission and programs of Adaptive Sports Ohio and the athletes we serve. Join us at House Three Thirty in Akron on October 1, 2026 to enjoy dinner and dessert, a cash bar, games of chance, and a live and silent auction.
